FIFTEEN CENTS

TWO MEMBERS of the new Clown Troupe at Antioch High School go over their routine in preparation for the production of "Scapino" on May 12 and 13 at 7:30 p.m., and May 14 at 2:30 p.m.

(See Story on page 8.)

Bond contracts awarded for fire station

Antioch's three financial institutions were among the low and successful bidders Monday night when the village and the fire district fixed interest rates for the sale of bonds to build the new fire department and rescue squad building.

The village and the fire district, which includes most of Antioch township outside the village, each opened bids for \$650,000 in "fire-safety building" bonds.

Voters approved the \$1.3 building in a referendum last December.

THE LOW BID OPENED at Monday's village board meeting came from a group which includes the State Bank of Antioch, the Antioch Savings & Loan Association, Northern Trust Co. of Chicago, Columbian Securities Inc., and Dain, Kalman and Quail Inc.

Dead body found in Fox River

The body of a man was recovered from the Fox River, at the Grass Lake bridge, just before 12 noon on Tuesday.

According to reliable sources, the man was floating in the water and had a bullet wound in his head. Because his body also had weights on it, it is suspected that he might have been murdered.

Sources also said the man appeared to be between 28 and 35 years of age.

Lake County sheriff's detectives couldn't provide identification or details of the man's death before the

Workers are needed at Sawmill site

Volunteer help is "desperately needed" at the Antioch Bicentennial Sawmill site this weekend.

Members of the sawmill committee are asking people to turn out Saturday and Sunday, at 8 a.m. or later.

"We need persons of any age who can lift and place fieldstone," said Sue Koppa, a member of the committee.

The community sawmill is nearing completion and a dedication is planned Sunday, July 2. That's only two months away.

"EVEN IF 50 PEOPLE could help us for a few hours it would help complete the project," said Mrs. Koppa.

Volunteers will be provided food by Bill Georgeson's World Famous Hot-Dog Stand.

The project, planned during the 1976 bicentennial year, will be a working replica of the original sawmill built on Sequoit Creek by Hiram Buttrick in 1839.

Once completed it will be a historical site that actually will saw wood. School children and others will be able to tour the mill and tourists are expected to stop in Antioch to see the unique project.

"But first we must get the mill finished," Mrs. Koppa said. "It's a

community project, so we're calling on the entire community to help us ... even for only a few hours."

An advertisement on page 8 tells more about this weekend's plans.

IN ANOTHER MATTER, Mrs. Koppa reminded residents that this Friday, May 5, is the deadline for reservations for two trips planned by the village parks and recreation department.

On Sunday, July 9, a bus will take people to a baseball game between the Chicago White Sox and the Toronto Bluejays.

But first, on June 28, there will be a bus trip to a Chicago Sting soccer game against the Los Angeles Dodgers.

The Illinois Parks and Recreation Association has offered a schedule of days at ball fields at discount rates.

"The Antioch Parks and Recreation Department would like to participate in some of these bus trips, to baseball games and other places. They are for the entire family. Also, there can be concert trips for teens," Mrs. Koppa said.

More information appears in the advertisement on page 19.

Funeral mass today for Deputy Huber

Funeral services will be held at 11 a.m. today (Wednesday) for Gregory S. Huber, a Lake County sheriff's deputy from Antioch, who was killed early Sunday in an auto accident east of Fox Lake.

Obituary information on Deputy Huber, 28, appears on page 23. The funeral mass will be at St. Peter's church.

The deputy and three teenagers were killed when a car containing the youths pulled in front of the deputy's auto at an intersection.

Deputy Huber died after being transported by helicopter from St. Therese Hospital, Waukegan, to Rush-Presbyterian-St. Luke's Hospital in Chicago.

The three young men, dead at the scene of the accident at Rte. 59 and Ridge Road, were Michael Hansen, 17, of 516 Lincoln Ave., Lake Villa; and two brothers, Felix, 17, and Humberto Estrada, 12, of 609 Piper Lane, Lake Villa.

A third brother, Norman Estrada, 16, was in critical condition in McHenry Hospital.

All were pinned in their cars, according to sheriff's deputies, who said the accident happened at 1:35 a.m. Sunday.

Huber was driving west on Rte. 59 when the car containing the youths pulled in from Ridge Road in front of his car, police said.

Antioch News went to press Tuesday afternoon.

Antioch's fire chief, Tod Mapleshorpe, said members of the fire department's underwater recovery team worked with Fox

Lake divers to retrieve the body from the river.

NAVY Yeoman Third Class John W. Rooker, son of William E. Rooker of Route 5, Antioch, has completed a court reporter course.

Conducted at the Naval Justice School, Newport, R.I., the seven-week course centered on techniques and equipment used for recording court-martial proceedings, boards of inquiry and investigations.

A 1974 graduate of Antioch High School, John joined the Navy in June of 1976.

RANTOUL, Ill. Airman Vickie L. Gutierrez, daughter of Mr. and Mrs. Leon Jarrett of Rt. 3, Antioch, has graduated at Chanute, Ill., from the U.S. Air Force technical training course for aircraft ground equipment repairmen.

Vickie is a 1974 graduate of North Newton High School, Morocco, Ind. Her husband, George T. Purvis, is the son of Mr. and Mrs. J.T. Purvis of Laural, Miss.

Happening

A ROAST beef cafeteria dinner will be served by the Millburn Ladies Aid of the Millburn Congregational Church at 12 noon on Thursday.

FIFTH GRADERS at Grass Lake School were among those planting trees on Arbor Day last week. This group posed with Dr. Albert J. Palucci, the school district's superintendent, and Pat Kenyon, fifth grade teacher. The school's Brownie Troop, girls from 6 to 8 years of age, also were out planting trees which will beautify the Grass Lake area in the years to come.

Village employees get pay raise

Most village employees received a pay raise of about 8 percent Monday night at the beginning of Antioch's new fiscal year.

Also, at the village board meeting, all key employees were reappointed.

Charles H. (Chuck) Miller was sworn in as the new chief of police. He will receive a yearly salary of \$21,500.

The village board also approved the promotion of Tom Fisher from sergeant to lieutenant. His yearly salary will be \$18,000.

SALARIES OF OTHER officers and key police department personnel range from \$12,659 to \$16,500. Dispatchers will now be earning from \$9,750 to \$11,000.

The village board raised the yearly salary of Walter Shepard, superintendent of public works, to \$22,000.

Charles (Tod) Maplethorpe, superintendent of water and sewer, will now be earning \$18,000 while Dick Stroner, building commissioner, and Marilyn Sterbenz, village collector, will be paid \$17,500.

Also reappointed were Susan Koppa, parks and recreation coordinator, at \$13,000, and treasurer Shirley Gutowski at \$11,500.

Andrew C. Lynch was reappointed village attorney.

Driver education course planned

Antioch High School will again offer driver education to students living in the high school district.

The course is open to persons between the ages of 15½ and 21.

In order to enroll for the summer program students must reach their 16th birthday by Dec. 15.

Applications can be obtained at the high school and should be completed and returned to Mr. Ward Lear before June 5. The only cost involved is for materials and the cost of a permit.

The program will consist of 33 hours of classroom instruction, 12 hours of simulation laboratory, and 3 to 4 hours of behind-the-wheel street instruction.

"Twelve hours of work in a simulator is equivalent to about three hours of instruction on the street," Mr. Lear said.

Cars for the on-street instruction will again be furnished by Lyons-Ryan Ford and John Teresi Chevrolet-Oldsmobile.

Names in the NEWS

DEE YOUNG of Antioch's Red Carpet real estate office has announced the appointment of three new staff members.

Janet and Jerry Kosatka, a husband and wife team, joined the staff in February. They live in the Antioch area and within the last two months have increased their knowledge of real estate by attending classes given by the Lake County Board of Realtors. Janet was also a member of the "Quick-Start" program sponsored by Red Carpet and was recipient of an award as outstanding student of the class.

The third new associate is Cynthia Suforna who lives in Grayslake with her husband, Tom. Cynthia also completed classes given by the Lake County Board of Realtors. Tom

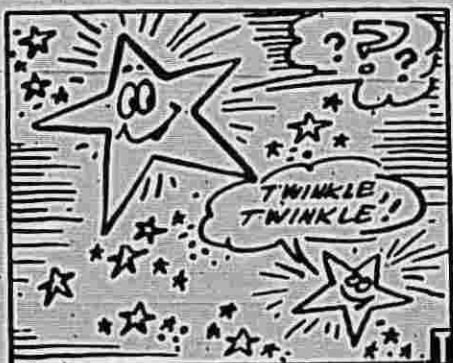

will be opening a hair-styling shop soon in the Park Avenue Mall. Now, along with the broker, Dee Young, there are six associates at Red Carpet, Dee Young & Associates.

MACOMB, Ill. - A career seminar will be presented by the fashion merchandising and visual merchandising departments at Western Illinois University on Friday. WIU students assisting with the program include Linda Kasik, a junior administrative office management major from Antioch.

It's The Smallest

The smallest continent is the Australian mainland, with an area of about 2,940,000 square miles.

The smallest known star is called LP 327-186. A "white dwarf," it's 100 light-years away, with a diameter only half that of the moon.

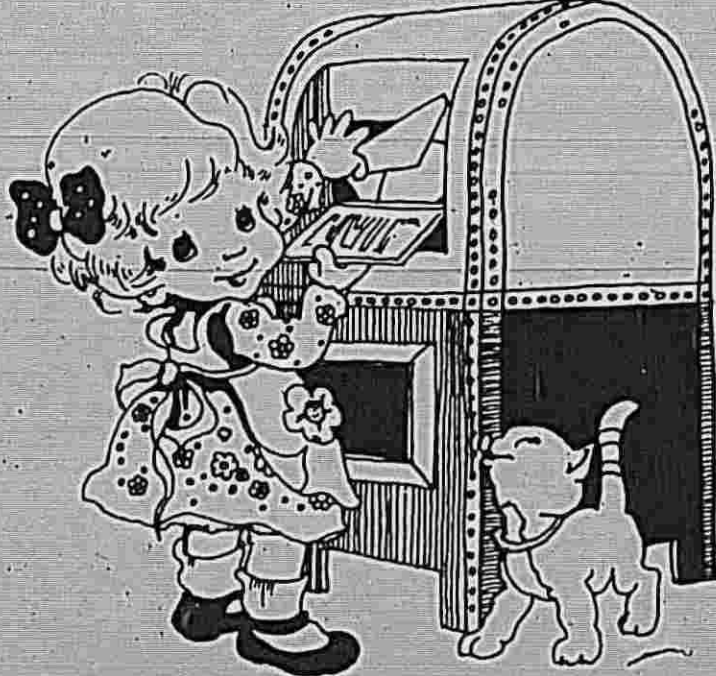

The smallest amount of natural gas on reserve in a long time is what we have now. Domestic supplies are dwindling. Proved reserves are at their lowest levels since 1955 and some industries have been suffering shut-downs because of shortages.

The smallest book printed with metal type is one that contains the Lord's Prayer in seven languages and measures 0.13 of an inch square.

Jaycees' awards dinner Saturday

The Antioch Jaycees are planning their installation and year-end awards banquet Saturday at Andre's Steak House in Richmond.

The banquet is open to all present and former Jaycees living in the area and interested members of the community.

Scheduled guests include Michael J. Haley, mayor of Antioch; Jerry Pfarr, Editor and Publisher of The Antioch News, and Stan Kucaba, Jaycee Ambassador No. 14 and Jaycee Senator from Glen Ellyn.

Cocktails will be at 7 with dinner at 8. The price is \$7.50 per person and must be received by Thursday.

All interested persons should call Bill Anderson, 356-5376, or see Bill Groening, 395-2700, at the State Bank of Antioch.

THE FOLLOWING MEN were elected to the board of

the Antioch Jaycees last week and will be formally installed at the banquet.

Elected president - Ron Van Scoyoc; internal vice president - Gary Klean; external vice president - Tim Mortensen; secretary - Kevin Lyons; treasurer - John Burnett; state director - Paul Kinas; past president - Bill Anderson; public relations director - Bill Groening; and seven directors at large - Ed Darbro, Ron Chilcote, Wayne Salonen, Jay Bruski Jr., Dave Wick, Larry Hill and Steve Smouse.

"The old board and the new board would like to thank all the fantastic people in Antioch for your continued support of our efforts and hope we can serve your needs better in the future," said Mr. Anderson.

Run for Fun at CLC Sunday

Lake County residents are invited to participate in the "Run for Fun" Sunday at the College of Lake County (CLC) in Grayslake.

The event, sponsored by CLC's intramural and recreation department, is designed to give all runners a chance to compete at their own skill level.

Races will include a two-mile run, beginning at 1 p.m.; a five-mile run, at 1:30; and a one-mile Olympic-style racewalk, beginning at 2:30.

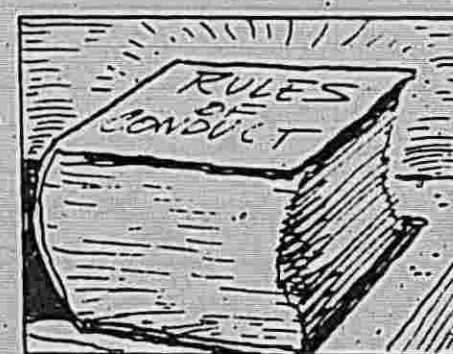

Race categories will be divided equally between males and females. Age categories will be divided into five different groups for each sex: ages 0-12, 13-18, 19-29, 30-49, and 50 and older.

All races are free. In addition, refreshments will be available for all finishers, and T-shirts will be awarded to the first-place finishers in each of 11 categories.

Registration for all events will begin at 12 noon in the north parking lot near building 1 on the CLC campus. While medi-

cal assistance will be available, those wishing to participate should have their doctor's okay.

Information about the "Run for Fun" can be obtained by calling Bill Berg, Rich Olson or Kris Beck at 223-6601, ext. 412.

Pastor Fosmark will move to British Columbia

After 13 years as pastor of the Antioch Evangelical Free Church, Pastor Bernard C. Fosmark and his family will be moving to Langley, British Columbia, in Canada.

Pastor Fosmark told his approximately 300 parishioners that he and his family will be moving July 2.

Langley, 30 miles east of

Vancouver, is a community of about 18,000 persons and is 18 miles north of the United States border.

Rev. Fosmark will become pastor of the Langley Evangelical Free Church, near the home of the church's denominational college, Trinity Western.

HIS FATHER, Rev. Carl Fosmark is the church's

visitation pastor. Bernard Fosmark will become senior pastor.

The Fosmarks came to Antioch 18 years ago and Bernard taught at Antioch High School for 16 years, becoming head of the English department. He also became the Free Church's first pastor 13 years ago. He retired from high school teaching in 1976.

Pastor Fosmark and his wife, Margaret, have four children: Shirley 16, Timothy 15, David 12 and Janice 10.

"We're going to miss Antioch. We've been here a

long time. All of our children were born here," Pastor Fosmark said.

A CONSOLATION is that he will be close to both of his parents, as well as a brother, a sister and other relatives in nearby Seattle, Wash.

Pastor Fosmark's father for many years was the superintendent of all of Canada's "Free Churches." He was a pioneer in the Canadian Free Church movement, but Bernard didn't seriously consider the ministry until he was "sort of drafted" by the Antioch Free Church. The

church was started here in 1959 and the present sanctuary was built in 1970.

HAPPENINGS

THE ANTIOCH Grade School Band Parents have given their annual senior band banquet.

The Apr. 23 event honored all the 8th grade graduating band students. Each member received a pin. Many also received gag awards which were voted on by their fellow students.

Association president Elsie Quedenfeld was presented a birthday cake and a fire extinguisher to put out the candles. But to everyone's surprise she blew them all out on one try.

Reservations due soon for Chamber meeting

The Antioch Chamber of Commerce and Industry will hold a general membership meeting on Thursday, May 11, with dinner at 6:30 p.m. at the Antioch Bowling Lanes banquet hall.

There will be a cash bar cocktail hour from 5:30 to 6:30 with hors d'oeuvres compliments of Joe Sterbenz, co-owner of the lanes.

THE TOPIC of the program will be retail theft, shoplifting and internal theft. Speakers will cover areas of most concern to the merchants of Antioch.

"There are new laws covering prosecution of suspected shoplifters. There are ways to stop theft in our community that will be presented by people who use them with great success," said William M. Barr, chairman for the meeting.

"Retail theft is no little crime. Last year losses, nationwide, amounted to \$6.5 billion according to the U.S. Department of Commerce - an 11 percent increase in a single year. Illinois' share of that loss is over \$800 million a day. Have you thought how much it is costing you?" Barr asked.

Barr said:

"We have purposely arranged for an evening meeting and held the cost to a nominal \$6 per person to enable you to bring your employees. Speakers include Sergeant Tom Fisher of the Antioch Police Dept. and Michael Gantar, attorney. We are anticipating other speakers from other areas of concern regarding merchants and their positions, responsibility, and liability in handling theft."

Reservations and payment must be made by May 8, Barr said.

Still Loses 75 Pounds
Credits Conway Diet Institute

Mrs. Kathy Zimmerman, has lost 75 pounds and reached her goal weight while following the Conway 1000 Calorie Diet and attending the weekly Insight Seminars.

The interesting part of Kathy's story is that after losing 42 pounds she took time out to have a baby daughter. Six weeks after delivery, Kathy went back to the Conway program and lost the last 33 pounds.

Kathy, a registered nurse, says "I felt miserable when I was overweight. I knew the harm obesity was doing to my health. I had never been able to diet successfully before. I found the Conway Diet easy to follow, nutritious and satisfying. The Insight Seminars were stimulating and informative. The interaction with other members was a real support."

Third prize, six dinners at local restaurants, was won by Bill's Texaco in Loon Lake.

Fossum selected for Air Academy

U.S. Rep. Robert McClory (R-13th) has announced that Vicky Ann Jaranson of Fox Lake and Neil Bruce Fossum of Antioch have been selected by the United States Air Force Academy for offers of appointment for the class entering in June of this year.

Vicky Ann Jaranson is the daughter of Mr. and Mrs. Morris M. Jaranson of Fox Lake. She is a senior at Grant High School where she is a member of the National Honor Society. She has set her goal on a career in the aerospace and aeronautical fields.

Neil is the foster son of Mr. and Mrs. Raymond F. Schreiber of North Bluff Drive in Antioch.

A senior at Antioch High School, Neil has scored in the top three percent of his class while also working an average of 25 hours a week at McDonald's.

In addition, he has been selected for the National Honor Society, while his extracurricular activities have included football, baseball and team medical trainer in basketball.

He has served as yearbook photographer and on the student council.

Neil also sings in his school's a capella choir. He hopes to become a pilot.

Upon graduation, cadets are awarded commissions in the Air Force where they will serve a minimum of five years.

'Madcap farce' opens May 12 at ACHS

"Scapino" is coming to the stage at Antioch High School.

It's a rollicking, madcap farce about young love, mistaken identities, scheming servants and overbearing parents.

The play features a young, talented cast led by Lori Rush in the title role and featuring Dino Braglia and Andy Godsey as "the fathers."

Kathy Bonovitz and Sue Atwood are the girls, Jim Dituro and Rich Zeman their lovers, Dave Krostal and Wes Kirkpatrick play two scheming servants, Joy Bowman is a nurse, and Jane Breest, Keith Boehm and Ken Neise as three employees of the

cafe, in Naples, Italy, which is the setting of the play. Ken Smouse directs.

Curtain time for the show is 7:30 p.m. on Friday and Saturday, May 12 and 13, and 2:30 p.m. on Sunday, May 14.

Featured at intermission will be the high school jazz band under the direction of John Olisar, exhibits by the art department under the supervision of Jane Craner and Joel Pfeiffer, and the school's new Clown Troupe, sponsored by the drama department and instructed by Dorie Hubbard.

Tickets are available from cast members or can be purchased at the door beginning a half-hour before curtain time.

THE CLASS of 1981 of Antioch Community High School is having a car wash May 13. The "wash" will be at Phillips '66' at the corner of Main and Orchard and the Texaco Station in Orchard Shopping Plaza. 8 a.m. to 4 p.m.

Students to donate blood

By CATHY ASCHBACHER

Antioch High School is hosting a Red Cross blood mobile next Wednesday, May 10.

Teachers and students will donate blood from 10 a.m. to 4 p.m. in the north gym.

Student blood programs are becoming increasingly popular. Young people are finding it much easier to donate blood than their parents who may have health problems which prohibit them from donating.

Libertyville and Warren high schools recently had successful blood drives and, on May 10, two other high schools, in addition to Antioch, are having drives.

HOWEVER, WHILE MANY students are donating, many more give excuses such as:

"I'm scared of giving blood. NO WAY!" (Sure, everyone feels this way the first time, but many donors have become regulars and are 15 gallon donors. So why not give it a try?)

"I have already given this year." (A person can give once every eight weeks.)

"I don't have enough blood to spare." (The average adult has about 10 to 12 pints of blood in his body. Your body manufactures new blood constantly. The volume will be replaced within a few hours.)

DONATING ONE UNIT takes very little time. And one unit can be split up into about 15 different components. Every minute 10 units are needed in hospitals across the country.

Donors must be between the ages of 17 and 66 and must weigh over 110 lbs.

An excellent turnout is expected on May 10. Any high school student wishing to be scheduled to donate blood can contact Cathy Aschbacher, student-coordinator of the drive.

Remember, blood is life. Blood cannot be made in a lab. It's up to the people. So let the students of Antioch High School stand up and show responsibility.

VOLUNTEER HELP NEEDED

To Work on Antioch's Bicentennial Sawmill

Starting at 8 a.m. this coming Saturday and Sunday. (Come later if you wish.) Spend part of either day ... or both. Even a few hours will help.

People are needed to help lay stone on the banks.

Any person who can lift a rock and provide some help is desperately needed.

Food will be provided by Bill Georgeson's World Famous Hot Dog Stand.

The sawmill dedication date is July 2. It's a community project and we need lots of people in the community to help us get it ready for that big day.

Thanks. Hope to see you there!

municipal finance consultant, called their net interest cost of 5.35 percent "good and attractive."

The village trustees awarded the bond contract to that group. Interest will amount to \$366,880 from now until 1994.

THE BID ACCEPTED by the village was only slightly higher than one submitted by the First National Bank of Antioch, along with LaSalle National Bank and the National Boulevard Bank of Chicago, and Channer and Newman Securities.

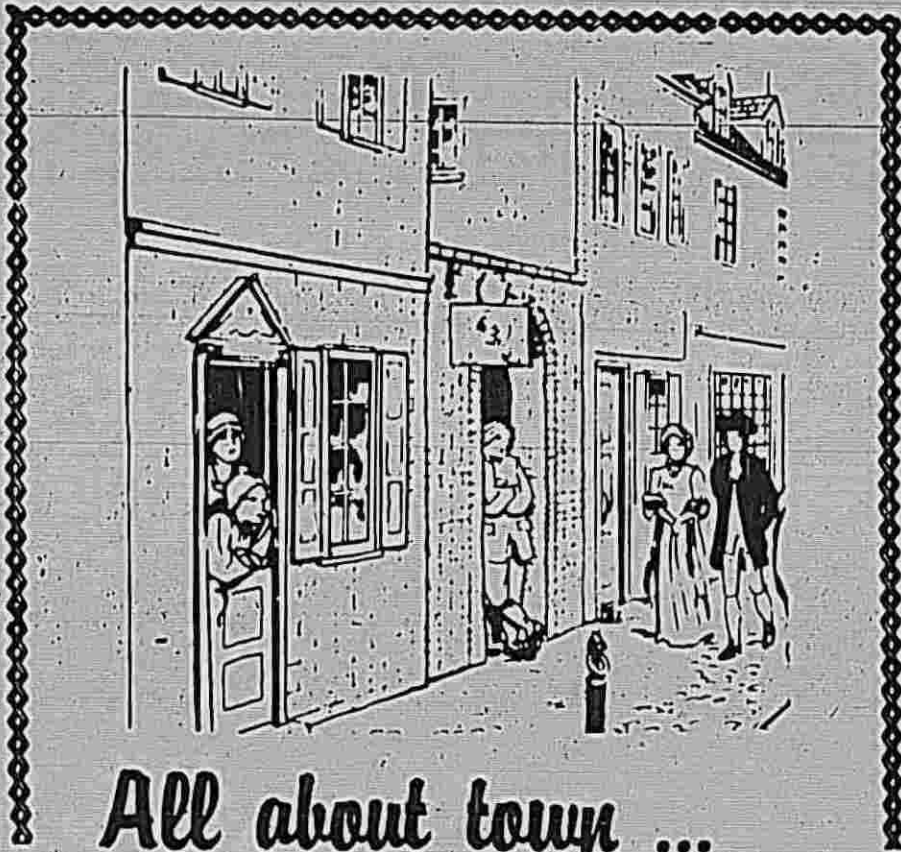

Their net interest cost was 5.39 percent and totalled \$370,031 between now and 1994. This was lower than the bid submitted to the fire district by the previously mentioned group and therefore was accepted by the district.

Among the other bidders, the highest would have required \$13,000 more in interest in the next 16 years.

THE FIRST FIRE PROTECTION District includes all of Antioch township, except the village and the area west of the Fox River. It has agreed that the safety building should be a 50-50 venture ... in other words, the district would contribute half of the cost of construction and future operation, going into partnership with the village.

"The thing that convinced us," said Ray Atwood, one of the fire district's trustees, "was the engineer's report that showed how inadequate the present fire station is. For one thing, the floors aren't sturdy enough to safely hold the fire trucks."

The building will be constructed at the corner of Orchard St. and Turner Drive. Construction is scheduled to start this year.

All about town ...

By LINDA WALKER

Did you notice BJ's sign? If you missed it, it certainly wasn't because it is too small. The large sign covering both the men's fashion store and the new sporting goods store looks super.

If everything goes as planned Bill and Tom are looking forward to an opening in several weeks of BJ's Sports. Sure hope so.

THE BEAUTY STOP has been busy remodeling our former location at 950 Main Street. I haven't seen a great deal of the work but with all the pounding and painting, something is going on.

The way it looks now, it shouldn't be too long before we can all steal a peek.

PARK AVENUE is starting to take shape. The transformation of the Dodge service building to Antioch's mall is unbelievable. The cleverly designed outside is almost finished with only small details remaining.

John Teresi and Ray Scarpelli, developers, are planning a seven-store mall that would include King's Drugs and The Little Gallery. It certainly looks good.

DON PETERSEN is adding a back entrance to Barnstables, too. The door and window are already in and Don plans on having the stucco and cedar shake shingles completed by the end of the week.

Boy, our little town is growing in leaps and bounds.

WHEN THE ROTARY CLUB of Antioch took wives and secretaries to lunch at the Brave Bull restaurant last Thursday it turned out to be a more meaningful day than expected. After Jack Siegmeier (right) of Four Squires was welcomed as a new member (sponsored by Dennis Johnson, left, of Ashland Jewelers), a surprise was in store for Rev. Steve Williams, center. The pastor of the Antioch United Methodist Church was named a "Paul Harris Fellow"

by the Rotarians. A past president of the Rotary, Pastor Williams received the high honor when his fellow Rotarians donated \$1,000 in his name to the Rotary Foundation. Paul Harris was the founder of the club. The Rev. Williams is the second Antioch Rotarian to become a Paul Harris Fellow. Vern Thelen, current president, received the medal recently from the new Rotary Club of Fox Lake, which Thelen organized.

Woodchippers call show a success

The Chain O' Lakes Woodchippers are happy with the success of the woodcarving show they sponsored last Saturday, according to Al Dittman, spokesman for the group.

Carolyn Korando, in charge of visitor registration, reported that about 300 visitors were in attendance. Twenty-four woodcarvers exhibited carvings of a wide range of style and description.

The Woodchippers will hold their next regular meeting Wednesday, May 10, from 7 to 9 p.m. in the community room of the First National Bank of Antioch.

"Club members and guests are encouraged to bring carvings to whittle on at the meeting and to discuss business connected with the recent show," Mr. Dittman said.

Sanitary sewer 'smoke testing' begins on May 8

Sanitary sewer smoke testing will soon be conducted in portions of the village of Antioch.

The smoke used is a white, non-toxic smoke which will not leave an odor or residue if it enters your building.

During testing, smoke may be observed coming from the vent pipe of the building, usually located on the roof. This is a natural occurrence of the testing and should not cause any concern.

As a precaution against smoke entering your building, pour a pail of water down each drain which is not used regularly. This will fill the plumbing trap, if present, and block the smoke.

The testing is being performed by Donohue & Associates, Inc. for the village of Antioch as part of a federally-funded sewer system evaluation survey.

The testing will begin on Monday, May 8, and will be completed on or before May 11.

EDUCATORS, ADMINISTRATORS and school board members got together here last week for an annual event. From left: Robert Flint, Commonwealth Edison marketing engineer who was guest speaker; Clinton Glover of the Antioch District 34 school board; Robert Lindblad, president of the Antioch High School district school board; Wilfred Meier, representing Faith Evangelical Lutheran, and Lloyd Essermann, principal of Faith Lutheran. The picture was taken at the annual elementary-high school board of education and administrators dinner. The event was held last week at Antioch High School and included representatives from the high school, the elementary schools from Antioch, Emmons, Grass Lake, Faith Evangelical Lutheran, Lake Villa, Millburn, Newport, Prince of Peace in Lake Villa and St. Peter's of Antioch.

Discuss village parks program here tonight

Antioch village officials will meet with the park commission tonight (Wednesday) to discuss financing of the village parks and recreation program.

Ten days ago voters in the village and township defeated a proposal to create a park district for the entire Antioch community.

Members of the park commission had said they needed financial help from township taxpayers in order to meet the demands for playgrounds and recreational programs.

Tonight's 8 o'clock meeting will be held in the basement of the fire station.

"We'd like all interested persons to attend," said trustee Don Amundsen at Monday night's village board. "We are going to expand the program and need all the support we can muster."

IN OTHER ACTION at Monday's village meeting, former trustee Bill Seemann returned to the board to fill

the unexpired term of J. Irving Walsh, who resigned "To follow my doctor's advice and relax and rest more."

Dale Frasch was appointed to the park commission to fill Seemann's unexpired term with that group.

Village clerk Marilyn Sterbenz was authorized to advertise for bids for a new squad car and also a new dump truck. The bids are to be opened at 8 p.m. on May 15.

EIGHT YOUNG MEN were hired for summer help in the village public works department. They are Brian Andrews, Bob Walsh, Jerry Smith, Marvin Gibson, Paul Maplethorpe, Tom Huebner, Rob Nauman and Tom Koenig.

Village officials gave permission to the Antioch Jaycees to use street corners for their annual "Highway Holdup" days. The hours will be from 3 to 8 p.m. on Friday, June 16, and 8 a.m. to 12 noon on Saturday, June 17. The Jaycees stage the "holdup" to raise money for local youth programs.

Mayor Michael J. Haley proclaimed the week of May 14 as "Municipal Clerks Week," and the trustees showed by their smiles that the national observance was a fitting tribute to the work being done by persons such as their

MR. and MRS. STEVEN VOS

Steven Vos weds Patricia Chapman

Patricia Kathryn Chapman and Steven William Vos were married Apr. 8 in a double ring ceremony in the Millburn Congregational Church, officiated by the Rev. Donald A. McPeck.

Honor attendants for the daughter of Mr. and Mrs. Darrel C. Chapman of Antioch and the son of Mr. and Mrs. William Vos, of Winsor Drive, were Eunice Gustavson and William Vos.

Completing the wedding party were bridesmaids Sarah Volkert, Dora Ellis, Dorothy Vos and Diane Hansen.

Roy Hansen, Jeff Gerner, Donald Voeltz and Glen Learmont served as ushers.

For the 220-person reception at the Lindenhurst Civic Center the former Miss Chapman wore an A-line gown of silk organza over taffeta accented with Nottingham lace.

Following a honeymoon trip to Florida, the newlyweds are at home in Antioch.

Patricia was a 1975 graduate of Lake Forest High School and is employed by Motor Inn Restaurant in Zion. Steven, who graduated from Antioch High in 1973, works as a truck driver for Antioch Excavating.

AARP group attracts large crowd to meeting

The American Association of Retired Persons (AARP) of Antioch had 189 members stream into Father Frawley Hall for the monthly social meeting.

Members who will attend the national AARP convention on May 4 were reminded to meet at the water tower at 6:45 a.m. for the bus ride to Chicago. The 41 members from Antioch will be among 2,000 AARP seniors who will view the installation of new officers for the national organization.

John Wenclawski, Antioch's legislative chairman, announced that ideas for participation in the Antioch Memorial Day parade are being considered.

The chapter's choral group climaxed the afternoon with several selections, accompanied by Emily Novotny on the piano, and directed by Esther Aiani.

"The group is improving with each performance and may soon deserve its name of 'Antioch Super Senior Chorus,'" Mrs. Aiani said.

"Antioch area seniors looking for new friends, companions and activities can come to Father Frawley Hall, at 12 noon, the second and fourth Tuesday of each month," Mrs. Aiani said.

Exchange student coming from Scotland

Janet McMurray of Scotland will attend Antioch High School for one year, beginning next fall, as a Rotary Club exchange student.

The announcement was made at last week's high school board meeting.

In other action, the board instructed member Charles Forster to vote for the SEDOL tentative budget which will be presented at the June 7 SEDOL governing board meeting.

The board passed a resolution for the sale of life-safety bonds as presented by attorney Ted Larson.

MRS. BEA LIPSKI notified the board that she will be returning from her leave of absence.

The board accepted the resignation of Joyce Czajkowski.

The board approved submission of the following programs to the Illinois Office of Education for approval: summer work study, work experience and career exploration, gifted, and the vocational one and five year plans.

Guarantee Trust Life Insurance Company will again handle student accident insurance at no increase in premium rates.

BUSINESS MANAGER KEN WIERSCHEM informed the board that the debt service grant from the capital development board would be \$90,603. A like amount will be subtracted from the tax extension for bonded indebtedness.

The student towel contract for next year with National School Towel Co. was approved for 1978-79 at an increase of .60 cents.

THE TUITION for summer school will remain at \$33 per semester of credit. Included this year will be a summer baseball program.

PICTURED AT "Confirmation Day" at the Antioch United Methodist Church are (from left) Rev. Stephen W. Williams, Veronica Benfancur, Ellen Sanderson, Bryant Rentsch, Derek Olsen, John Silianoff, Katherine Cormaney, Kathy Doty and

Special meeting Thursday

A special meeting of the board of education of Antioch High School, District 117, will be held on Thursday at 7:30 p.m. in the board room.

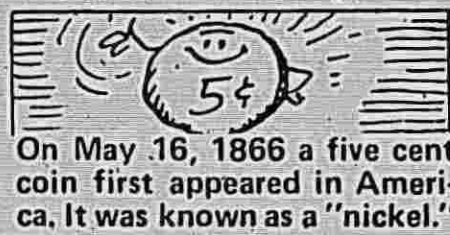

The purpose of the meet-

ing is to review life-safety bids, and letting or rejecting contracts at board discretion.

Also on the agenda is the handling of possible student disciplinary matters.

'Anything Goes' sends people home humming

By ERLENE PEARCE

Did you see all those people tap-dancing down Main St. late last Friday and Saturday night? They were still caught up in the spirit of "Anything Goes," the sparkling Cole Porter musical presented by PM&L.

This shipboard romance of song, dance and witty dialogue stars Tricia Schaefer as the vivacious entertainer, Reno. She unwittingly falls in love with Evelyn (a titled Englishman) when she sets out to distract him from his fiancée, so that Billy, portrayed by Doug Kodziolka, can make his pitch for Hope (Evelyn's fiancée).

Tricia Schaefer is a remarkably talented actress who shows her versatility portraying the singing, dancing, sexy Reno as believably as she played Elizabeth Proctor in the highly dramatic "The Crucible" last year.

THIS IS THE FIRST time I've seen Doug Kodziolka but he's terrific as Billy and has a fine voice.

Supporting these two excellent performers is an able cast with Don Beveroth, perfect as the English gentleman, Rosemary Scheske as the beautiful heiress, Donna Lusch delightful as the irrepressible gun moll with a "heart of gold," and Frank DiMarco very nearly steals the show with his hysterical rendition of "Be Like the Bluebird." He plays the part of Moonface, the "13th most wanted criminal."

The singing and dancing of Reno's girls, Purity (Debbie Beno), Chastity (Koral Schrimp), Charity (Rosline Scheske) and Virtue (Kris Hansen), add more sparkle to an already brilliant show.

NEEDLESS TO SAY much of the success of this professional production goes to the people behind the scenes: Beveroth as director, stage manager Elmarie Beno, choreographer Yvonne Schrimpf and musical director Kris Hansen.

"Anything Goes" is a show that all can enjoy, with all those fantastic Cole Porter songs ... "You're the Top" ... "It's Delovely" ... "Friendship" ... "I Get a Kick Out of

AMONG THOSE featured in "Anything Goes" at the PM&L Theatre are Doug Kodziolka of Mundelein and Rosemary Scheske of Antioch. The last two local performances of the Cole Porter musical are scheduled at 8:30 p.m. Friday and Saturday (Photo by Mike Ament.)

You" ... "Anything Goes" ... "Blow, Gabriel, Blow" ... "All Through the Night" ...

This is one of those happy productions that leaves you with such a good feeling you don't want it to end.

If you haven't seen it this is the last weekend and be sure to get there early because this musical plays to packed houses.

Many people were disappointed last week when all the seats were taken. To make reservations call 395-3055.

2 events scheduled at Emmons

Emmons Grade School will present "Play and Awards Night" on Thursday, May 11, at 7 p.m.

Awards will be given for academic and athletic achievement.

"Colossal, Stupendous" is the comedy being presented by the sixth, seventh and eighth grades. The story concerns a movie company which promotes a photograph beauty contest that produces a strange winner.

The cast includes Chuck Duha, Dave Witek, Karla

Bolton, Carolyn Stanley, Joanie Cilik, Leslie Gallagher, Steve Sheedlo, Rick Ranney, Steve Haase, Linda Coons, Wendy Sampolinski, Lisa Davis, Shelly Volling and Craig Sheedlo.

This Thursday, May 4, at 7 p.m. Emmons will pre-

sent a spring band and choir concert. The school's beginning band and concert band will each perform a variety of musical selections.

A production, titled "It's Music," will then be presented by the sixth, seventh and eighth grade choir.

Annual Art Fair is July 9

Planning is underway for the 6th annual Arts, Crafts and Antiques Fair sponsored by the Antioch Chamber of Commerce & Industry. Registration forms have been mailed.

At no point in any of the 56 short stories and four novels that Arthur Conan Doyle wrote about his famous detective does Sherlock Holmes say "Elementary, my dear Watson."

ARIES [March 21-April 19] - New doors are opened, offering success in new enterprises; communicate with knowledgeable people about increasing financial status.

TAURUS [April 20-May 20] - Don't act rashly in real estate matters; relatives have a tendency to become involved, offering unnecessary advice. Try to develop mutual interests.

GEMINI [May 21-June 21] - You may experience mixed emotions about community activities and whether to become involved or not. Routine matters don't hold much appeal now.

LEO [July 22-August 21] - Use aggression and initiative to gain confidence of those you come in contact with. You must curb a tendency to force all ideas on others, however.

VIRGO [August 22-September 22] - Be sympathetic towards those who are confined. Prepare for some setbacks and complications; wait for a more active trend before engaging in new enterprises.

LIBRA [September 23-October 22] - You get new chances to form friendships and acquaintances. Enjoy the company of others, become involved in group activities.

SCORPIO [October 23-November 21] - Ambitions can be met through your own efforts; avoid letting emotions get in the way of career plans, however. Consider new business tactics carefully.

SAGITTARIUS [November 22-December 20] - Keep outlook on the future optimistic but avoid a tendency to daydream. New studies hold special appeal for you, see that these undertakings can be completed first before becoming involved.

CAPRICORN [December 21-January 20] - A close account of all expenditures involving a partnership is essential. Unexpected changes may take place which require your full attention.

AQUARIUS [January 21-February 19] - Be willing to let those you work closely with take the lead, make decisions about joint affairs. Be realistic about personal aims.

PISCES [February 20-March 20] - Working conditions, job matters deserve top priority. Fellow workers could misunderstand your good intentions so keep everything on the up and up.

RECEIVED A NICE LETTER from Pat Ring's mother-in-law. I'll share it with you.
Dear Annie Mae,

The many friends and acquaintances of Pat Ring might like to know that he is now out of the hospital and convalescing nicely at home after having been very seriously hurt on Easter Saturday when his car overturned during an ice storm, while driving home from work.

He received two crushed vertebrae and his car was completely demolished, so it is a miracle that he was pulled out alive. Thanks to Dr. Barnes and the miraculous hands of neuro surgeon Dr. Nagieb, he should not be restricted in any way when he fully recovers. A piece of his bone was removed and the crushed vertebra replaced with it, so it was quite a complicated operation. His birthday on Apr. 29 was a special occasion to celebrate this year.

Thank you for printing this for me:

Gwendoline M. Lulofs

A BABY BOY, important in both Antioch and St. Petersburg, Fla., was born Monday, Apr. 24.

He is Robert W. Carter III, the first child of Robert W. Carter Jr. and the former Sandy Herbert of Antioch. They are now living in St. Petersburg.

Robert III weighed 7 lbs. 15 oz. and has four proud grandparents, Mr. and Mrs. Robert W. Carter Sr. of St. Petersburg and Mr. and Mrs. William Herbert Jr., also of St. Petersburg but formerly of our wonderful Antioch.

HAPPY BIRTHDAY on Thursday, May 4, to Sue Koppa,

our popular village parks and recreation coordinator. And on Friday, May 5, it will be Rich Higgins' birthday. We hope, for a birthday present, Rich shoots another 35 for nine holes at Spring Valley Country Club... like he did last week.

CONGRATULATIONS TO Albert J. Palucci, superintendent of Grass Lake School. He's Dr. Palucci now, having earned his doctorate in educational administration and supervision at Loyola University in Chicago.

AL AND JEAN SODMAN are back from a three-week vacation in Arizona where they visited with friends from Antioch who have moved to that state. Al and Jean saw Bill and Gwen Hansen in Tucson, then went to Albuquerque where they visited with Al and Eleanor Smith and also Ken and Diane Schultz.

I LEARNED something quite interesting this week. Did you know that back in 1954 there was a high school javelin thrower from New Jersey who led the nation by flinging the spear 193 feet? Of course not. Who could care less? But let's finish the story:

This young man received 42 college scholarships and selected the University of Southern California. He got the javelin out to 218 feet as a freshman but then was injured and never competed again.

Shortly after, he left Southern Cal and took up acting. He now uses the name Michael Landon, whom we all know as the star of that wonderful TV show, "Little House on the Prairie."

This tag shows you the price.

EER 8.7

This tag shows you the savings.

there's not, you can figure it out yourself. Everything you need to know in order to calculate the EER is contained on a metal plate attached to the unit.

To find the EER, just divide the BTU's by the watts. In our example, the EER divides out to 8.7.
 $7500 \text{ BTU's} \div 860 \text{ Watts} = 8.7$

What's the recommended EER? We recommend an EER for air conditioners of 8 or higher. Lower rated units waste energy, and the energy wasted costs you money.

It pays to know about EER. An air conditioner with a high EER may cost a little more to buy, but it costs less to run, so it ends up saving you money over the life of the unit.

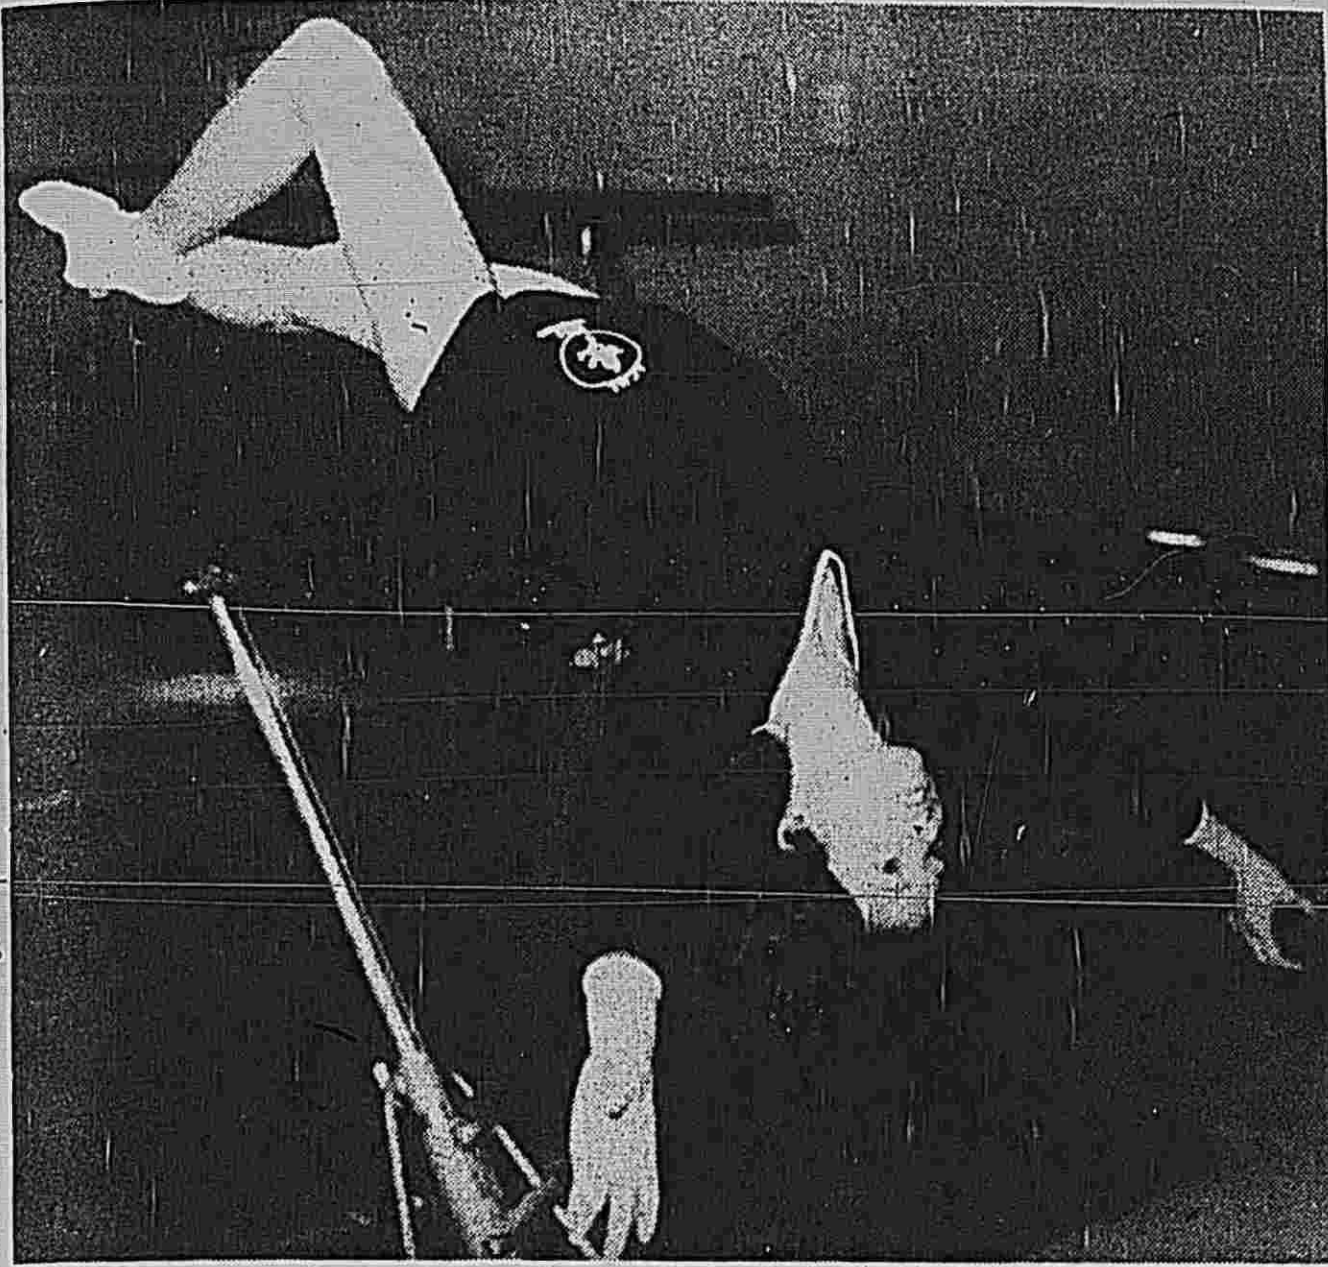

When you buy an air conditioner, don't just look at the price. Check out the EER, too. Because the higher the EER, the less the unit costs to run.

Not all air conditioners are created equal. Two similar air conditioners can do the same cooling job, yet one may use less energy to do it. Obviously, you want to find that one, because it's more efficient and costs less to run. That's where EER comes in.

How to find the EER rating. EER stands for Energy Efficiency Ratio. It indicates the relative efficiency of an air conditioner. Sometimes there's an EER tag right on the machine, but even when

A GRACEFUL AND TALENTED freshman, Debby Sieben, placed fifth for Antioch High School in the district gymnastics "balance beam" event. Debby will compete in sectional competition Friday at Palatine, hoping to qualify for the state championships.

THREE OF ANTIOCH'S GYMNASTS pose with assistant coach Karen Chilcote. From left, they are Tracy Ernstmeier, Debby Sieben and Beth Ott, who competed on the uneven parallel bars in the district tournament. Mrs. Chilcote and head coach Elaine Weidner are optimistic about the years ahead since their young team placed fourth in the conference and fifth in the district this year. "The girls are starting to reach a level where they will be tough competitors," Mrs. Chilcote said.

## Young bowlers receive awards

The youngsters who have been bowling at Antioch Lanes each Saturday received their trophies for top performances. At left, posing with Marty Padjen, co-owner of the bowling establishment, were (from left to right): Ellen Lewandowski, most improved in the American prep league; Todd Orth, most improved boy; Brett Jandula, high series of 391; Jeff Bieniasz, high average of 109; Craig Mertes, high game of 159; Renee Hallwas, high average of 93; Jeri Gutowski, high game of 139, and Kim Portalski, high series of 351.

## Homan wins feature at Waukegan

The night was cool but the racing action was hot and furious at the Waukegan Speedway last Saturday night. Tom Homan of Antioch won the 25-lap late model feature and Waukegan's Larry Cash cruised to victory in the hobby stock main event. Trophy dash-winner Jim Zwirdgas was leading the late model main event until he tangled with McHenry's Danny Brown in front of the grandstand. Both drivers were able to continue with Zwirdgas, who also won a heat race, recovering to finish fifth.

HOMAN INHERITED the lead on the restart, which was after 11 laps, and he opened up a comfortable lead. Last week's feature winner, John Provenzano, recovered from a penalty for passing under the yellow to place second with Mike Klemko third and Chuck Bostick fourth. Heat wins went to Freddy Lofgren and Zwirdgas. Provenzano was the night's fastest qualifier with a clocking of 18.47 seconds.

IN QUALIFICATIONS, Homan had the night's third fastest time and the second fastest clocking was turned in by his Antioch teammate, Don Collins.

THE SECOND PLACE TEAM in the National League, sponsored by the State Bank of Antioch, included (from left) Kim Stender, Dawn Smith, Andrea Anderson and Kelly Propeck. Not present for photo was Andrea Kohl.

## They're 9-0

Antioch High's varsity tennis team is undefeated in nine conference dual meets. Kneeling from left: Tom Surrock, Greg McKenna, Boro Reljic and George Richter. Standing from left: Coach Ron Halpern, Jim Moog, Dave Nikolai, Roger Korjenek, Keith Rezin, Phil Rezin, Tom Melhorn and Dennis Korjenek.

## Varsity and soph netmen triumph

Antioch High's varsity tennis team has beaten two more Northwest Suburban Conference teams, Dundee and Woodstock.

Antioch won both matches, 3-1 over Dundee and 3-2 over Woodstock.

Antioch and Stevenson are the only two teams without a loss and will meet May 10 at Stevenson.

Dennis Korjenek (11-1) beat Mike Schmitt from Dundee 6-4, 7-6. Last year Mike beat Dennis in straight sets.

Keith Rezin (10-2) outlasted Blake Woods in a marathon match, 6-4, 6-7, 6-3.

George Richter and Phil Rezin clinched the Dundee meet by eliminating Tom Smith and Scott Pagels at first doubles. Tom Melhorn and Tom Surrock split sets at second doubles and were unable to finish due to darkness.

Woodstock's fine tennis team almost broke the Sequoits' unbeaten string. At one point the match was tied at two apiece.

Korjenek won 6-1, 6-1 over Paul Rabe, and Surrock and Phil Rezin won 6-4, 2-6, 6-4 over Frisbie and Buckley at second doubles.

The match rested on the shoulders of Keith Rezin who had split sets 6-7, 6-0 versus Reuben Rodriguez. Keith came through with his second clutch performance in two days by winning 6-0 to give Antioch a 3-2 team victory. Keith admitted he was tired after the match and winning the last twelve games.

The netmen needed an easy meet after Dundee and Woodstock back to back. They met North Chicago the day after and blanked them 5-0.

THE SOPHOMORE tennis team, which recently broke a 20 in a row win streak, has won five in a row with three victories last week over Dundee 5-0, Woodstock 3-2, and North Chicago 4-1. The sophs now are 8-1 this season.

DOUBLES STARS of Antioch's varsity tennis team include Roger Korjenek (left) and George Richter.

## Sequoits tie Grant for lead

Antioch High's varsity baseball team has boosted its conference record to 7 wins against 2 losses.

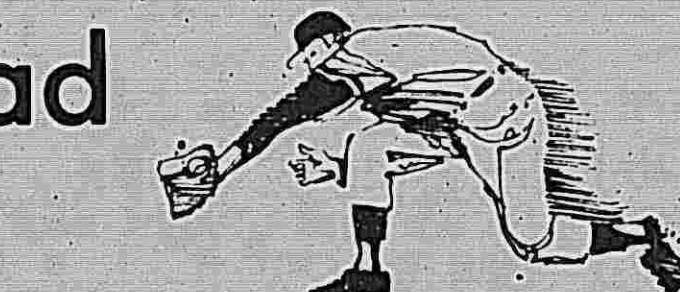

Coach Tom Baba's Sequoits now share the division lead with Grant of Fox Lake. They meet in a showdown here

Saturday. The doubleheader starts at 10:30 a.m.

On Tuesday of last week the Sequoits came from behind to beat Jacobs' Golden Eagles 5-4.

ANTIOCH TRAILED 4-1 until the last half of the sixth inning when Bob Young led off with a double. Scott Gallagher's single drove in Young, closing the gap to 4-2.

In the seventh, the Sequoits rapped three singles and then Young hit another double to tie the score at 4-4. Chuck Gleason stepped up and lined a single to win the game.

The Antioch pitcher was Scott Schroeder, who gave up only four hits.

ANTIOCH'S SECOND CONFERENCE opponent last week was Woodstock and the Sequoits pounded out 16 hits as they scored a 13-6 win.

John Eder and Bill Dubek each had three hits for Antioch while Gleason drove in three runs with his two hits. Kenn Rosenbrock enjoyed another pitching victory.

LAST SATURDAY, ANTIOCH went to Grayslake for a doubleheader, losing the first game 7-1 and winning the second 4-1.

Schroeder was the winning pitcher in the 4-1 game, allowing Grayslake only two hits.

GOING UP, AND OVER IS Chris Ano, who set a new Antioch High School high jump record of 6 feet 5 inches.

WHIRLING THE DISCUS 135 feet to place second at North Chicago was Tracy Sodman, also an Antioch basketball star.

## Ano high jumps 6-5 for record

Antioch's trackmen continued undefeated in conference competition by defeating Cary-Grove and Round Lake at Cary, and Stevenson and Woodstock at home.

Scores were: Antioch 75, Cary-Grove 66; Antioch 108, Round Lake 32; then Antioch 78, Stevenson 63; and Antioch 90, Woodstock 51.

Among the better performances were: Brian Andrews, 15.8 in the high hurdles and 40.4 in the low hurdles; Greg Bies, 2:08 in the half mile and 4:47 in the mile; Bill Strzelecki, 40'8½" in the triple jump; Chris Ano, 6'5 for a new school record in the high jump; Mike Harr, 140' in the discus; Dick Millsop, 41.6 in the low hurdles (a new soph school record); Bill Ranker, 54.4 in the 440; Jim Crutchfield, 23.5 in the 220; and Andy Dugenske, 54.8 in the freshman 440.

THE MILE RELAY team of Kevin Shepard, Millsop, Andrews and Denis Flaschner ran a season best of 3:35.3. The 440 relay team of Millsop, Flaschner, Andrews and Crutchfield ran a fast 45.5. The two mile relay team of sophomores Mike Mattson and Matt Firestone and juniors Roger Plechaty and Mark Biel ran a good 8:40.1.

At the Warhawk Invitational at North Chicago on Saturday Antioch's place winners were: Ano, first in the high jump with a meet record leap of 6'3½"; Tracy Sodman, second in the discus with 135'6" toss; Tom Parpan, fourth in the pole vault at 11 feet; Strzelecki, fifth in the long jump at 18'10"; and Crutchfield, fifth in the 100 at 10.4.

Antioch's frosh-soph team defeated Cary-Grove 106-35, Round Lake 104-32 and Stevenson 83-54 but lost to Woodstock 24-56.

The Sequoits will meet Grant, Wauconda and Lake Zurich this week before hosting the Harland Sophomore Invitational on Friday and participating in the county meet on Saturday.

**RANKING** high among long jumpers in Lake County this track and field season is Antioch's Bill Strzelecki. (Photos by Andy Dugenske.)

It's surprising how much time one thinks he will have tomorrow.

### LEGAL NOTICE ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY

The Federal Insurance Administration of the U.S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968 (P.L. 90-448), as amended, and the Flood Disaster Protection Act of 1973 (P.L. 93-234), it will fund a detailed study of the flood hazard areas in the Village of Antioch.

The study will be performed for the Federal Insurance Administration by the USDA, Soil Conservation Service, Champaign, Illinois.

The purpose of this study is to examine and evaluate the flood hazard areas in the community which are developed or which are likely to be developed and to determine flood elevations for those areas. Flood elevations will be used by the community to carry out the flood plain management objectives of the National Flood Insurance Program. They will also be used as the basis for determining the appropriate flood insurance premium rates applicable for new buildings and their

contents, as well as determining the rates to be used for the second layer of insurance on existing buildings and contents.

This announcement is intended to notify all interested persons of the commencement of this study so that they may have an opportunity to bring any relevant facts and technical data concerning local flood hazards to the attention of the Federal Insurance Administration for consideration in the course of this study. Such information should be furnished to Michael Haley, Mayor of the community, for forwarding to FIA.

573, going in that direction, discharges riders four blocks (a 15 minute walk) from the station. Returning on the train one has to be the next best thing to a marathon runner to make the bus because the latter leaves five minutes after train arrival.

The same situation prevails for the Fox Lake bound rail commuter.

ONE EXCEPTION TO THIS objectionable situation applies to Grayslake arrivals, via train No. 2121 at 5:46. Antioch bound bus No. 573, at this time only, will make pickups of passengers right at the depot.

As for commuters who prefer the railroad via Waukegan, here's a word of caution - to avoid delay and anxiety if one plans on continuing by bus No. 572 to CLC and from there to Antioch.

For instance, if the commuter arrives in Waukegan on train No. 317 at 2:50 p.m. it is easy to miss the bus connection at 2:58, by one's own fault or otherwise.

Another bus leaves at the corner of Genesee and Washington streets at 3:58 p.m. and its stop at CLC at 4:23 is, as far as you'll go for a while. The bus for Antioch, No. 573, does not leave CLC before 5:58 p.m., so you waited again, this time for one hour and 35 minutes.

THIS COMMENTARY is not written for any other reason than anticipating due hearing from the RTA for improving notable shortcomings at this time.

Obviously, bus service in this area came about because people wanted it - and still need it. But such existing need can be met satisfyingly only with continuous efforts on the part of the RTA to attract riders who in turn will increase in number.
